

Vehicle Headrest Printer Mount

- ✓ Patented product (U.S. Patent No. 7,637,566,)
- ✓ Printer is completely up and out of the way, taking up zero space inside the vehicle
- ✓ Headrest printer mount solution securely positions printer on top of the passenger seat
- ✓ Adjustable, dual mounting rods slide into existing headrest mounting holes of the vehicle
- ✓ Mounting rods fold flat to allow floorboard stowage of mount and printer as single unit
- ✓ Only complete headrest printer mount solution in the industry
- ✓ Fits all vehicles commonly used by law enforcement
- ✓ Quick, “slide-in, slide-out” installation and removal
- ✓ Officers can easily retrieve printed documents without losing sight of offender’s vehicle
- ✓ Made in USA of 18 gauge, black powder-coated steel with solid aluminum mounting rods
- ✓ Simple conversion to Console Mount with optional black powder-steel coated “L-bracket”
- ✓ Specifically designed for printers commonly used by law enforcement
