HP-PM-NI

NONINCENDIVE PANEL MOUNT HULAPOINT II™ POINTING DEVICE

iKey manufactures devices to reduce risk of failure in your hazardous areas. The nonincendive HP-PM-NI features the HulaPoint II™, an upgraded pointing device that offers improved sensitivity and increased durability. The low-profile design contains no protruding parts that might break and no moving elements to collect dust. With its completely sealed NEMA 4X design, the HulaPoint II™ can withstand spills, washdowns, contaminants and the impacts of an industrial environment. The HP-PM-NI has a Factory Mutual approval for Class I, Division II, Groups A, B, C, and D.

Features:
Nonincendive for use in hazardous locations
PS/2 or USB configurations available
Stainless Steel Bezel
