

PM-81

COMPACT PANEL MOUNT KEYBOARD

The PM-81 is a small-footprint keyboard that offers an alternative solution when space is at a premium. It has 12 function keys and standard keycap sizing. iKey's rugged panel mount keyboards allow for easy integration into workstations or other industrial environments. The PM-81 is designed to meet NEMA 4X specifications, which enables it to withstand the roughest of conditions.

Features: Stainless Steel Bezel USB, PS/2 and AT Configurations Available
