

Havis Fold Down Trunk Trays

Maximize trunk space

Premium Fold Down Trunk Tray assembly with slide out equipment tray allows easy mounting and access to electronic components without blocking the spare tire.

Convenience and added protection

Havis introduces another industry first — Premium Fold Down Trunk Trays. These heavy duty trays are designed to mount trunk mounted electronics and equipment securely and safely on a convenient hinged platform that easily folds up keeping equipment protected and freeing up valuable trunk space.

- Premium fold down trunk trays mount in the forward area (against the back of the rear seat) to maximize rear trunk space while providing easy access to the spare tire
- When the door is hinged up in the closed position, mounted equipment is protected from damage
- The slide out tray easily removes for pre-installation and service outside the vehicle
- Mounting surface is a generous 32" wide x 16" deep
- Manufactured from 14 guage formed steel
- 60 lbs maximum weight rating
- Includes two (2) 1/4 turn cam latches to keep door closed
- Includes two (2) gas springs for assistance in opening or closing door
- One (1) key lock included

Havis Fold Down Trunk Trays mount cleanly inside the vehicle without drilling holes.

Vehicle Model and Year(s)	Part Number
