

# Havis Docking Station for Panasonic Toughpad B1

## DS-PAN-800 Series

The Havis Docking Station for the Panasonic Toughpad B1 brings you the best computing solution for all your business needs. Designed with versatility in mind, this docking station secures your Android based 7" tablet, with and without the optional handstrap. Havis mounting options allow for tablet docking and usage in nearly any work environment.

The DS-PAN-800 Series Docking Station offers tablet charging, security, and connection to peripherals in medical, enterprise, and in-vehicle workplaces. Maximize your productivity with this rugged yet lightweight dock - built with theft deterrence, longevity, and stability in mind.

Thin profile accommodates Tablet handstrap

Easy to use, safe and secure docking

Recessed port replication protects cable connections while integrated strain relief protects from accidental disconnects
