

All New Mobile Office Solutions for Chevrolet Tahoe

Increase Mobile Workforce Productivity

Building a solution to fit your needs and the specifications of your vehicle can be an intimidating task. Havis designs and builds consoles that make your equipment easy to see, reach and operate.

The new Chevrolet Tahoe vehicle specific console fits precisely to the OEM instrument panel and allows you to utilize the vehicle's dash controls and 12-volt sockets without having to relocate them.

Havis also offers *Premium* and *Standard* Passenger Side Mount packages, which are designed to make the ordering process easier. The Heavy Duty Vehicle Mount base is also available to provide a sturdy mounting base for a variety of universal laptop, keyboard and docking station mounts. (See page 2)

2007-2012 Vehicle Specific Console (C-VS-0813-TAH-1)

This new vehicle specific console mounts between the bucket seats and fits to the dash contour. The 21" of mounting space offers depths from 9.5" to 11" to mount a variety of control heads. It provides 2.5" between the console and seats for added driver comfort and accessory mounting. A smaller, 10" vehicle specific console is also available (C-VS-1000-TAH)

Dash Monitor Mount (C-DMM-114)

Vehicle specific swing out design allows access to AM/FM radio and is configurable for many universal computer monitors.

Tunnel Mount Assembly (C-TMW-GMC-01)

Accepts all Havis consoles, which allows for mounting of deeper control heads and additional accessories.

All New Mobile Office Solutions for the Chevrolet Tahoe

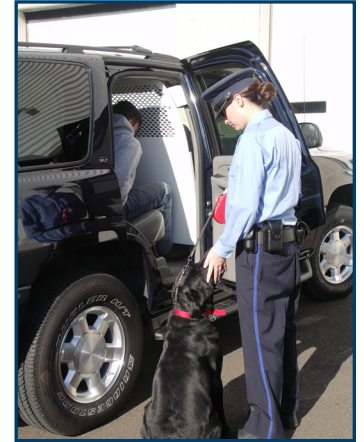

Safety and Comfort for Your K9 Partner

The new Havis K9 Transport System for the 2007-2012 Chevrolet Tahoe allows the driver seat to move all the way back for officer comfort. Besides radius corners and heavy-duty white powder coat finish, it features new, larger side-entry openings for improved canine entry and exit, as well as easier access for cleaning.

Havis offers three different K9 modules for the Chevrolet Tahoe: the standard 48" deep kit which can allow for 2 compartments, a smaller 32" deep kit for increased storage space, and a K9/Prisoner Transport kit which allows transport of prisoner and K9 safely together.

2007-2012 Chevrolet Tahoe 32" K9 Transport System (KK-K9-C14-K-32)

2007-2012 Chevrolet Tahoe 32" K9/PT Transport System (KK-K9-C14-K-PT)

Premium Passenger Side Mount Package (PKG-PSM-202)

Premium Passenger Side Mount Package:

- Vehicle-specific mounting base that mounts to existing OEM seat bolts for easy installation and requires no modification to vehicle
- Heavy duty height-adjustable poles that bolt to vehicle-specific base for on-demand adjustability for multiple users and easy storage when not in use.
- Upgraded swing arm with motion adapters that are ideal for computer usage from both the driver and front passenger seats
- Stability support arms that add upper pole support for premium top level stability

Standard Passenger Side Mount Package:

- Vehicle-specific mounting base that mounts to existing OEM seat bolts for easy installation and requires no modification to vehicle
- Heavy duty poles without height-adjustable handle that include collar only to set fixed height at installation
- Tilt/swivel motion devices that enable 180° horizontal rotation for keyboards, laptops and docking stations
- Top offset plates that allow for strong and comfortable positioning of computer equipment

Standard Passenger Side Mount Package (PKG-PSM-102)
