

All New Mobile Office Solutions for the 2011 Chevrolet Caprice

Mission Critical Equipment Right at Your Fingertips

Havis understands the challenges faced by individuals who work in the mobile environment. We strive to engineer products that make performing tasks during long shifts easy. Communication and emergency lighting equipment can be mounted comfortably between seats with our specifically designed center console

and can be customized with many convenient accessories. Additional equipment can be mounted in the rear of the vehicle on the sliding trunk tray, which allows for effortless daily use.

2011 Chevrolet Caprice Vehicle Specific Console (C-VS-1400LP-CAPR-1)

This new 14" low profile console was specifically designed for the 2011 Chevrolet Caprice. Installation requires removal of the OEM console and includes vehicle-specific tunnel mount (no drilling required). For easy-to-reach laptop and keyboard mounting, the console works with C-HDM-200 Series telescoping poles for installation on trak/tunnel mount in front of console. Please contact your sales team for more information on unmarked vehicles.

Monitor Mount (C-DMM-116)

Swing out mount allows monitor to conveniently tilt and swivel for optimal viewing angles for driver and passenger.

Trunk Mount (C-TTB-CAPR-1)

Trunk mount is constructed of welded steel for added strength and support. Heavy-duty bearing slides allow for smooth, frequent operation.

All New Mobile Office Solutions for the 2011 Chevrolet Caprice

Havis Passenger Side Mount Packages have been designed to make the ordering process easier. Our engineering team has installed and tested various options in each vehicle and has published a specific list of the products that combine to make the optimal solution.

Standard Passenger Side Mount Package (PKG-PSM-154)

Standard Passenger Side Mount Package Includes:

- Vehicle-specific mounting base that mounts to existing OEM seat bolts for easy installation and requires no modification to vehicle
- Heavy duty poles without height-adjustable handle that include collar only to set fixed height at installation
- Tilt/swivel motion devices that enable 180° horizontal rotation for keyboards, laptops and docking stations
- Top offset plates that allow for strong and comfortable positioning of computer equipment

Premium Passenger Side Mount Package Includes:

- Vehicle-specific mounting base that mounts to existing OEM seat bolts for easy installation and requires no modification to vehicle
- Heavy duty height-adjustable poles that bolt to vehicle-specific base for on-demand adjustability for multiple users and easy storage when not in use.
- Upgraded swing arm with motion adapters that are ideal for computer usage from both the driver and front passenger seats
- Stability support arms that add upper pole support for premium top level stability

Premium Passenger Side Mount Package (PKG-PSM-254)

Heavy Duty Vehicle Mount (C-HDM-154)

Vehicle Mount Features:

- Works with C-HDM-200 Series telescoping poles for easy installation
- Configurable for many universal laptop, keyboard and docking station mounts

Tunnel Mount Assembly (C-TMW-CAPR-01)

Tunnel Mount Features:

- Accepts all Havis consoles, which allows for mounting of deeper control heads and additional accessories
- Requires no drilling and mounts to existing front and rear inboard seat mounting bolts
