Z-Band[®] Fun and Z-Band[®] Splash Wristband Solutions

Enable cashless point of sale and access management using printon-demand bar coded amusement park and attraction wristbands.

Using a Zebra[®] bar code printer and direct thermal Z-Band Fun or Z-Band Splash wristbands, amusement parks can:

- Reduce ticket fraud—and the revenue losses associated with counterfeits and theft.
 - » Z-Band wristbands are blank and don't have value until they're printed on demand.
 - » They can be printed with the guest's name for access verification.
 - » They're tamper-evident and nontransferable, and include everything paid for on one wristband.
- Improve transaction speeds. Employees simply scan a bar code instead of exchanging cash and working cash registers.
- Enhance each guest's experience. Guests enjoy increased convenience and can be rewarded with special offers and benefits.
- Enjoy lower total cost of ownership compared to RFID wristbanding. While bar coded Z-Band Fun and Z-Band Splash offer cashless payment and patron data capture benefits similar to RFID, the bar coded bands cost significantly less.

Wristbands for:

- Amusement Parks
- Theme Parks
- Water Parks
- Carnivals
- Fairs/Festivals
- Zoos/Aquariums
- Sporting events
- Concerts
- Resorts
- Cruise lines
- Night clubs
