

CD3-1313

The Standard Tradition Cash Drawer

Star Micronics is proud to announce the CD3 Tradition series to its cash drawers lineup.

Star Micronics' CD3 Tradition cash drawer series are cost effective cash drawers that integrate seamlessly into any retail or hospitality environment with a standard printer communication interface and bottom exit cable, hidden from the customer's view. CD3-1313 Tradition cash drawer can accommodate to both Canadian and United States currency types of 3Bill-5Coin, 4Bill-5Coin.

Features include a black stainless steel front drawer cover, dual media slots, and a three function lock system.

- **Standard Size Cost Effective Cash Drawer**
- **Durable Steel Construction**
- **Black Coated Finish**
- **Printer Driven Interface with Bottom Exit Cable (cable included)**

The smooth black coated finish provides a unified appearance and complements the connected POS peripherals for merchants. The dual media slots provide extra storage for checks and large bills. For security, the key lock at front center allows for an easy manual release with a key or an electronic release.

The CD3-1313 is ideal for environments handling a standard amount of cash transactions per day. Optimal in any POS environment, the CD3 Tradition cash drawers will enhance not only cash operations, but also the appearance of your POS terminal.

- **Lock at Front Center for Manual Release**
- **Dual Media Slots**
- **4 Bill / 5 Coin Adjustable Cash Till**
- **3 Bill / 5 Coin Adjustable Cash Till for Canadian Currency**
