SM-T400i

Dust Protected & Splash Proof Four-Inch, iOS Compatible Bluetooth Portable Printer

The Star SM-T400i is a revolutionary ruggedized portable Bluetooth printer that is compatible with all operating systems (iOS, Android™, Windows®) and mobile devices such as the Apple iPad®, iPhone® and iPod touch®. Compatibility with iOS is a result of Apple Inc.'s MFi Certification of the SM-T400i portable printer.

The SM-T400i has easy "Drop-In & Print" paper and label loading. It has a reliable and quick print speed of 80mm per second and 203 DPI print resolution, an intuitive LCD display and optional 3-track magnetic stripe reader (MSR).

Dust protected and splash-proof resistant (IP54 Certified), the SM-T400i rugged four inch (112mm) portable Bluetooth printer with a wide 104mm printable area is ideal for government, healthcare, manufacturing, retail, and shipping and receiving industry applications.

SM-T400i supports direct thermal paper and label options in different height sizes. It ships complete with an AC charger, battery pack, serial cable, sample roll, belt clip and set up sheet. Options include a 4 unit battery charger, car charger, extra battery charger, extra battery pack and shoulder strap for all models.

In addition to its ability to pair with iOS, Android and other popular mobile platforms, the SM-T400i can print receipts or data from a web browser-based application running on a mobile device wirelessly by configuring Star's WebPRNT Browser App. Once configured, simply pair your mobile device to the SM-T400i, and print from WebPRNT Browser.
for all models.
