

CR6300 Series Cash Drawer

CR6300 Series Cash Drawer

The CR6300 Series Cash Drawer is the latest offering from Posiflex and is a turn-key replacement for the CR6200 Series. It inherits an embedded powder coat anti-scratch finish that protects the surface from wear and tear.

The cash insert offers fixed 6-coin and 5-bill compartments, additional coin roll storage and locking metal cover. The enclosure includes a patented "screw-less" tamper resistant design. The chassis and drawer are made of durable metal with a MTBF of one million open/close operations.

CR6300 Features:

- Rugged design with reinforced heavy gauge steel construction
- Durable anti-scratch embedded powder coat finish
- Innovative "screwless" tamper-proof design
- Advanced electronics that extend the MTBF (Mean Time Between Failure)
- Larger ball bearing design with special guides for smooth operation
- Precision mechanical tolerances assure wobble-free installation
- Maximum security three (3) position lock design
- Microsoft® WEPOS Certified (Windows Embedded for Point-of-Service)
