HEAVYDUTY

FLIP-TOP

SERIES CASH DRAWER

**Designed for retailers,
built to last.**

The Flip-Top cash drawer is focused on low cost of ownership, ease of use and speed through the check-out.

Tested to last beyond 2 million operations, the Flip-Top delivers uncompromising performance and quality.

Reliability

APG's Flip-Top cash drawer sets the standard for retail with superior design, durable steel construction and a resilient powder coat finish. The Flip-Top design has been vigorously tested to endure more than 2 million operations, ensuring it will perform flawlessly for the life of the POS system.

Speed & Efficiency

The Flip-Top cash drawer is routinely tested to ensure the lid will open rapidly and consistently beyond 80°. Full access to the till reduces check-out associate frustration. Payment transaction times are cut. Service to the customer is improved.

Durability

The Flip-Top's tough lid release mechanism stands up to slamming, yet latches firmly under gentle pressure. Check-outs are kept running smoothly, regardless of how associates treat the cash drawer.
