

QUICKSCAN™ I QD2100

GENERAL PURPOSE CORDED HANDHELD LINEAR IMAGER BAR CODE READER

The QuickScan reader series is Datalogic ADC's value line of general purpose handheld data collection products. The QuickScan I QD2100 linear imaging reader is an entry level product that is perfect for use in retail and office environments plus activities associated with couriers and postal services.

The QD2100 is small, lightweight and its ergonomic design is comfortable to use during daily operations. It offers snappy reading performance especially on hard to read bar codes and is capable of reading a wide range of symbologies including the majority of 1D codes plus GS1 DataBar™ linear codes. The QD2100 reader features Datalogic's exclusive patented 'Green Spot' for good read feedback directly on the code. When in Stand Mode, the Green Spot remains on to show the operator where to position the code for quick and intuitive reading.

Like the QuickScan L reader, the QD2100 has been designed with durability in mind. One of the most vulnerable features of any scanner is damage to the scan window. When such incidents happen, the scanner may have to be replaced. The QD2100 was specifically designed so that a replacement window pack can be ordered to replace damaged or scratched windows without having to send the scanner away for repairs. This helps to reduce the total cost of ownership during the life of the scanner and helps to ensure that it is always available for use.

The QD2100 is available with two multi-interface options: RS-232 / IBM 46XX / USB and RS-232 / USB / Keyboard Wedge / Wand and includes various packaging options so that it can be ordered as the scanner only or as a kit equipped with a scanner, cable and stand to facilitate hand-free reading options. The Datalogic Aladdin™ configuration program provides user-friendly features that simplify the start-up procedure, even for inexperienced users.

FEATURES

- Datalogic's Green Spot for good read feedback
- User replaceable scan window
- Two multi-interface options support the most popular interface combinations
- Supports GS1 DataBar[™] codes
- Remote host download functions (Model OD2110)
- Water and Particulate Sealing Rating: IP42
- Drop resistance to 1.5 m / 5.0 ft

SPECIFICATIONS

QUICKSCAN™ I QD2

DECODING CAPABILITY

1D / LINEAR CODES Autodiscriminates all standard 1D codes including GS1

DataBar™ linear codes.

China Post

GS1 DataBar Expanded Stacked; GS1 DataBar Stacked; STACKED CODES

GS1 DataBar Stacked Omnidirectional

ELECTRICAL

POSTAL CODES

CURRENT Operating (Typical): 340 mA @ 5 VDC

Standby/Idle (Typical): 190 mA @ 5 VDC

INPUT VOLTAGE QD2110: 4 -14 VDC; QD2130: 5 VDC +/- 10%

ENVIRONMENTAL

AMBIENT LIGHT 100,000 lux

DROP RESISTANCE Withstands repeated drops from 1.5 m / 5.0 ft onto a concrete

> surface. 20 kV

ESD PROTECTION (AIR DISCHARGE) HUMIDITY (NON-CONDENSING) PARTICULATE AND WATER SEALING

5 - 95% IP42

TEMPERATURE Operating: 0 to 50 $^{\circ}\text{C}$ / 32 to 122 $^{\circ}\text{F}$

Storage/Transport: -40 to 70 °C / -40 to 158 °F

INTERFACES

INTERFACES RS-232 / IBM 46XX / USB Multi-Interface: QD2110
