Accessory Guide

Holders and Chargers

Accessory Name	Part Number	Description
Holder Base in Black (No Battery Charge) 	HB-SG20-001	Holds the tethered scanner (SG20T) for use in auto trigger presentation mode. This base holds the scanner in a vertical orientation, minimizing the countertop footprint.
Charge Base in Black (No Bluetooth or Interface) 	CB-SG20-001	Holds the wireless scanner (SG20B) for use in presentation auto trigger mode, and also recharges the wireless battery. This base holds the scanner in a vertical orientation, minimizing the countertop footprint.
Bluetooth Communication Base in Black (Bluetooth and Interface) 	BB-SG20-001	Combines a holder, charger, communication and host interface in one compact solution. For use with wireless scanners (SG20B). A plug-and-play solution.
Charge Base in Healthcare Disinfectant-Ready White (No Bluetooth or Interface) 	CB-SG20HC-001	Holds the wireless scanner (SG20B) for use in presentation auto trigger mode, and also recharges the wireless battery. This base holds the scanner in a vertical orientation, minimizing the countertop footprint. Features a white housing made of disinfectant resistant material.
Bluetooth Communication Base in Healthcare Disinfectant-Ready White (Bluetooth and Interface) 	BB-SG20HC-001	Combines a holder, charger, communication and host interface in one compact solution. For use with wireless scanners (SG20B). A plug and play solution. Features a white housing made of disinfectant resistant material.
Adjustable Desktop Stand 	STAND-SG20-01	Raised adjustable stand for use with the tethered scanner (SG20T) in auto trigger hands free mode. Allows for greater scan angle adjustments for different mixed merchandise sizes. Small footprint minimizes countertop space.
Desktop/Wall Mount Holder 	HOLDER-SG20-01	Holds the scanner when not in use. Can be installed horizontally on a countertop or vertically against a wall. Includes mounting kit consisting of two screws and double-stick tape.
